

Mini Day Programs for Tigers and Daisies

\$30 for ½ hour Day Programs

Special themed Experiences (below)

Snakes!

Touch a Snake! Discover the difference between a reptile and amphibian. Learn to safely ID venomous snakes, snake safety, and how why to protect them.

Owls/Birds/Adaptations

Meet one of the Aquarium's Owls and learn about their role in the habitat.

Visit the Marsh Pavilion's Aviary and discover the wide variety of adaptations among birds.

Search for nests and learn what a bird needs to make a nest.

Endangered Animals

Meet Virginia's endangered Salamanders, the largest salamanders in North America!

How do animals become endangered or extinct and what are some things we can do?

How do the Aquarium's animals help to protect wild ones?

Snack Time with the Animals

Find out what we feed the animals at the Aquarium and how their food is prepared. Have a snack with an Animal Ambassador!

Create your Own Theme!

If you have a specific topic you want us to talk about, we'll create a program for you.
