Onsite Programs
2021-2022 School Year

Science Discoveries (PreK & K)

Things that Slither and Slime
Discover the different ways animals slither, swim, and strut through activities and a story.
Foundation Block: 1, 3, and 5
Science SOLs: K.1, K.6, and K.7
English SOLs: K.1, K.2, and K.3

Turtle Talk
Learn all about turtles through stories, games, and hands-on experiences.
Foundation Block: 1, 3, and 5
Science SOLs: K.1, K.4, K.6, and K.7
English SOLs: K.1, K.2, and K.3

Live Animal Encounters (Grades PreK - 12)
Get up close and personal with some of our live animals while learning about a topic of your choice:

Life Cycles (PreK-2nd)
Act out the life cycles of a butterfly and frog, match animals and their eggs, and learn about how animals change as they grow.
Science SOLs: K.9, 2.4, 3.8

Habitats & Adaptations (3rd-8th)
Test your own adaptation skills, practice animal adaptations that help them survive in the wild, and adapt classmates to live in different habitats.
Science SOLs: 3.4, 3.5, 4.5, 5.6, 6.7, LS.9

Compare & Contrast Animal Groups (2nd-6th)
Explore the five classes of vertebrate animals – Fish, Birds, Mammals, Reptiles, and Amphibians by examining real biofacts and meeting two animal ambassadors to compare.
Science SOLs: 2.5, 3.6, 4.5, 5.6, 6.7

Training & Care (K-12th)
Learn about the many ways the Virginia Aquarium cares for its animal through training and enrichment. Explore the tools of the trade and learn how you can incorporate training and enrichment with your own pets.

Science Discoveries & Live Animal Encounters

• 30-minute session
• Up to 30 students per session
• Features live animal, demonstrations, hands-on activities, and interactive discussions.

Pricing per student:
• $12 Aquarium admission + $4 program fee
