

Outreach Programs

1st and 2nd Grade

Mini Labs (30 students)

Sea Turtle from Egg to Adult (1st-2nd)

**Live Animal Encounter*

Students will examine the world of sea turtles through hands-on activities and artifacts highlighting the life cycle of a sea turtle. Learn how the sea turtle has adapted to life in the ocean.

Science SOLs: 1.1, 1.5, 1.7, 1.8, 2.1, 2.4, 2.5, and 2.7

Life in the Chesapeake Bay (1st-12th)

**Live Animal Encounter*

Come face to face with a sea snail, spider crab, and a hermit crab as your students get a hands-on lesson in Chesapeake Bay ecology focusing on adaptations, predator-prey relationships, and life needs.

Science SOLs: 1.5, 1.7, 1.8, 2.5, and 2.8

Snail Science: Using the Scientific Method (1st-5th)

**Live Animal Encounter*

Take measurements, set-up experiments, and make predictions in the hands-on, live animal program featuring mud snails and whelks.

Science SOLs: 1.1, 1.5, 2.1, and 2.4

Mini Labs

\$300 per 50 minute program plus travel fee

Programs are available from September - mid-June.

Festivals & Events

Touch Pools (K-12th)

Let the Aquarium bring marine science to your school fair or event. Your students and guests can touch live marine invertebrates and artifacts at our display booth and talk with our educators about ocean conservation.

Pricing:

- \$175 per hour + travel fee
- 2 hour minimum
- 5 hour maximum

Travel Fees

\$0	Virginia Beach
\$25	Norfolk, Chesapeake, and Portsmouth
\$45	Newport News, Hampton, Suffolk, and Poquoson
\$65	Williamsburg and Yorktown
