

Youth Conservation Series

Opportunities for middle and high school students to explore science through field experiences and conservation action.

Field Experiences

Eastern Shore Collection Adventure

September 28, 2019, 8:30 a.m. - 5:00 p.m.

Become a field biologist for a day! Students will seine for fish and invertebrates on the Eastern Shore and kayak to mud flats searching for clams and other interesting wildlife.

\$25 per student; Advanced registration required

Become a Citizen Scientist

December 30, 2019, 9:45 a.m. - 2:00 p.m.

Students will go behind the scenes with our aquarium staff to meet live animals and get hands-on experience in our water quality lab.

\$20 per student; Advanced registration required

Career Day at the Aquarium

March 28, 2020, 11:00 a.m. - 3:00 p.m.

Meet with scientists and Aquarium professionals to learn about their job duties, what skills and training they need, and how you can get started in their field.

Registration not required, Discounted student rate available

Trash Talking Art

June 6, 2020, 8:30 a.m. - 3:00 p.m.

Students will kayak around Owls Creek to collect trash, track their data, and turn it into art during our World Oceans Day event.

\$20 per student; Advanced registration required

Youth Ocean Conservation Summit

March 7, 2020, 9:00 a.m. - 4:00 p.m.

The national Youth Ocean Conservation Summit empowers students from across the country with the knowledge, resources, and support needed to launch ocean conservation projects to protect marine ecosystems in their local communities. *\$15 per student, Registration opens January 2, 2020*

To register, call 757-385-0278 or email programs@virginiaaquarium.com
