

HOMESCHOOL DAY

THURSDAY, JANUARY 30, 2020

Explore, experiment, and play with colors at the Virginia Aquarium & Marine Science Center. Learn how animals use colors to hide from predators or attract mates. Design and create your own animal masterpiece. Go deep in the ocean to explore how colors change in the deep dark depths. Have fun with colors through shadows and games. Activities are hands-on and geared for all ages to explore and have fun!

Classroom Activities | 10AM - 2PM

Colored Shadows, Deep Sea Goggles,
Invisible Ink

Promenade Activities | 10AM - 2PM

Color Play, pH Paintings, Iridescent Art,
Live Animal Encounters: 11AM | 12PM | 1PM

Outdoor Activities | 10AM - 2PM

Leaf Confetti

Scavenger Hunt | 9AM - 5PM

Use your passport to find all the ways our
animals use color to survive!
